

About Cootamundra

The prosperous town of Cootamundra is renowned for the warmth of its hospitality and its good old fashioned country spirit. It is the birthplace of two Australian icons – Acacia baileyana the beautiful Cootamundra wattle and The Don – Sir Donald Bradman, our Australian cricket LEGEND.

In the heart of both the Riverina and South West Slopes regions and just two hours drive to our nation’s Capital, Cootamundra also offers excellent road, rail and air links to the rest of the world as well as being a major railway junction between Sydney and Melbourne.

A four hour drive in either direction will find you in one of these two thriving metropolises.
